TASTING NOTES

Our reserve program is defined by quality and terroir. This wine, our third Reserve Tempranillo, was sourced from the clay soils of Southwest Block. The aromas include expressive ripe blackberry, boysenberry jam, lavender, graphite, and leather. The flavors are intense and transcend a huge spectrum from ripe currants and plums, to savory spices. Perfectly balanced acidity, integrated oak and concentrated fruit culminate to a tannic, lengthy finish. This wine will improve in the cellar for eight to ten years. Try with roast suckling pig garnished with asiago grits, chipotles and honey-glazed carrots.
